Circular

Date: 18/01/2021

Ref: 1. NPIU circular no. NPIU/ TEQIP-III/ Acad/ 2020/492 dated 07-02-2020

2. NPIU mail dated 02-06-2020 with subject line: Student Training on Future Skill technologies through online mode by faculty trained at IITs

**Subject:** TEQIP-III Sponsored job-oriented online training on 'Artificial Intelligence & Machine Learning' starts from 25/02/2021 Organized by Indira Gandhi Institute of Technology (IGIT), Sarang.

Dear Students,

Our institute is going to initiating a job-oriented online training on 'Artificial Intelligence & Machine Learning' to the students of IGIT, Sarang to make them industry ready for complying with the future skill requirements of IT-ITES industries.

1. Each batch will be consisting of at least 50 numbers of students. The selection will be on a first come first basic.
2. The online training will be planning to start on 25/02/2021.
3. The students shall undergo a formative progress review (mid-assessment) test conducted by NASSCOM midway during the training program. The detailed assessment criteria shall be shared with you in due course of time.
4. Post-training assessment and certification shall be conducted through SSC NASSCOM after the training. The institute may target at least 25% of trained students attaining certification.
5. The training of students including mid-training and post-training assessments shall be completed before **31st March 2021**.

## 6. Registration

# ODISHA Skills 2023

# ODISHA'S BEST WORLD'S NEXT

**Register & Participate in Odisha's  
Biggest Skill Battle**

## THE BEST WITHIN YOU IS YET TO COME...

History was created when Odisha's Ashwath Narayan won India's first ever gold medal in the 45<sup>th</sup> World Skill Competition in Kazan proliferating the glory of Odisha worldwide. Nourished with World Skills experience, Ashwath is now pursuing his Master's in Water Resources Engineering and Management (WAREM) at Germany and getting world class training experience. Apart from this, he is now a global figure in this skill who is often being invited to many international forums to share experience. This achievement set the momentum to make World Skill Competition more aspirational for the youth of Odisha which will accelerate the Skilled in Odisha brand to go global. Keeping this motto in mind, Odisha Skill Development Authority (OSDA) has revamped the registration process for the upcoming rounds of Odisha Skills 2023. OSDA invites you to discover the secret champion within you and register to showcase your talent in Odisha Skills 2023. You can be the next one to glorify Odisha & India at the Global platform!

**Register at:**  
[competition.skillodisha.gov.in](http://competition.skillodisha.gov.in)

**Eligibility:** Born on or after 1<sup>st</sup> Jan 2002 / 1<sup>st</sup> Jan 1999\*

**Starting Date of Registration:** 2<sup>nd</sup> August 2022

## SECTOR-WISE SKILLS TO COMPETE

### CONSTRUCTION & BUILDING TECHNOLOGY

- Plumbing & Heating

**CIRCULAR**

It is for the information of all students of PG/Final Year UG that the Indian Space Research Organization (ISRO) will conduct the **Space Science and Technology Awareness Training (START)** programme during July-Aug 2023. Please note the following points about the programme:

1. The START programme is envisaged as an introductory level online training in space science and technology for postgraduate and final year undergraduate students of physical science (Physics and Chemistry) and technology (e.g., Electronics, Computer Science, Mechanical, Applied Physics, Radiophysics, Optics & Opto-electronics, instrumentation, and other associated subjects, studying in Indian Educational Institute).
2. The training programme is about 2-3 hrs/day for a duration of 2 – 3 weeks. The START programme will be conducted through the ISRO E-CLASS platform (<https://eclass.iirs.gov.in>). The successful candidates of the online test will be provided with a certificate.
3. The training modules will comprise introductory-level topics on various verticals of space science and technology (Astronomy, Planetary Science, Heliophysics, Atmospheric Science, Microgravity related studies, and space technology).
4. In addition to these, there will be sessions on the Indian space exploration programme and research opportunities.

This training programme is solely meant to generate human resources in the country in the fields of space science and Technology.

The participant's registrations for ISRO START programme is now open. All interested PG and Final Year UG students/individuals are advised to register for the programme on or before **15th July 2023**. The important URLs are as below:

## **Notification for Student's Registrations in ISRO START Programme**

### **Participant's registration for ISRO - Space Science and Technology Awareness Training (START) programme**

ISRO encourages greater participation from academia, for generating human resources in space science and technology, expanding the user base of the space exploration mission data, and fostering an ecosystem to facilitate active participation of the students in space science and technology research. In view of this, ISRO has envisaged the Space science and Technology Awareness Training (START) programme. START is an introductory level awareness programme in space science and technology. The programme is envisaged to be organised in online mode in order to reach out to as many of the space enthusiasts as possible. Although primarily aimed at the under-graduate and post-graduate students of science and technology, the programme is designed to be suitable for any individual with a basic, systematic training in science, at least up to the high school level.

#### **Date and Duration of online training**

Online training is tentatively scheduled to be conducted during July-Aug 2023. The training programme is about 2-3 hrs / day for a duration of 2 – 3 weeks. The START programme will be conducted through ISRO E-CLASS platform (<https://eclass.iirs.gov.in>).

#### **Scope**

The lecture modules are thematically arranged to address different facets of space science and technology like Earth and Near-Earth Space, Solar System Exploration, Space Mission Design and Observations, Astronomy, Astrophysics, Cosmology, as well as technological aspects like accessing the space, space instrumentation, etc. In addition to these, there will be lectures on Indian space exploration programme and research opportunities in the fields of space science and technology.

#### **Eligibility**

START is aimed to reach out to the maximum beneficiaries not only to students belonging to Indian Institutions but also to any interested individuals. The students of approved nodal centres as well as individuals can register and join the online training programme by choosing the appropriate category for registration as detailed below.

### **Category-1: Students from approved START host institutes/nodal centres**

Post-graduate students and final year under graduate students of physical sciences (Physics and Chemistry) and technology (e.g. Electronics, Computer Science, Mechanical, Applied Physics, Radiophysics, Optics & Opto-electronics, Instrumentation and other associated subjects) studying in START host institutes / nodal centres, are eligible to be considered for the training under this category. Participation certificate / merit certificate will be provided to the eligible students.

**Link for registering student participants of approved nodal center:**  
<https://elearning.iirs.gov.in/edusatregistration/student>

### **Category-2: Individuals of any background**

Interested individual participants (including students who are not eligible / could not join through the category-1) of any background can directly register and attend the live sessions through Youtube Channel of IIRS- <https://www.youtube.com/@edusat2004> Participation certificate will be provided to the eligible participants.

**Link for registering individual participant:**

<https://elearning.iirs.gov.in/edusatregistration/student>

Individuals while registering directly in ISRO website will automatically get the login credentials.

### **Category-3: Public for knowledge gain**

Public can watch the live sessions of START for knowledge gain without registering in the website.

The link for watching START is - <https://www.youtube.com/@edusat2004>

**Course Fee:** START programme is offered by ISRO free of cost. There is no registration fee / admission fee.

### **Timeline for Participant Registration**

Commencement of registration: 20<sup>th</sup> June 2023

Last date for registration: 15<sup>th</sup> July 2023

**Contact-** [websupport@iirs.gov.in](mailto:websupport@iirs.gov.in)

**OFFICE ORDER**

The following staff members are assigned the duties in connection with the **Integrated Youth Development Programme (IYDP)** of the Institute to be held from 15<sup>th</sup> November 2023 to 8<sup>th</sup> December 2023. Any members remaining on leave are advised to intimate SPER office with a substitute in advance.

All HODs, HOOs/Vice-Presidents of different Clubs & Associations are advised to extend all possible assistance in respect of personnel and material resources available at their disposal to make the event a grand success.

Note: All the Events/activities will be scheduled during off-academic hours.

*S.M.L.*

NOTE SHEET - 04

Director, IGIT Sarang (through Dean Academic/T&P Head)

As per NS-2 and IGIT Notification No.PA/1-123 dated 02<sup>nd</sup> Nov'2020, the students selected for the SAP ( ABAP/MM) Training were advised to pay Rs3000/- as refundable caution deposit at the OSDA portal, and after the students clears certification, the money to be refunded by the institute to respective students.

In OSDA portal 54 students details are reflected (List attached) P-5, one student named Amir Ranjan Nayak has paid later (Acknowledged Email proof attached). Thus, total of 55 students have paid, three thousand each, sum up to Rupees One lakh Sixty five thousand only. And OSDA has returned Rupees 1,65,000/- , to DEAN, Academic & Examination account holding SBI No. 37718855596 on 30<sup>th</sup> Dec'2020. (P-7)

A Google-Form was created to collect the 55 students Bank Account details, 54 students have submitted their response except one, Krishna Chandra Sethi. ( list attached ). (P-6)

The SAP Certification process completed on 31<sup>st</sup> May'2020. Out of 55 students of Batch-1, 30 students have earned SAP Certification and are eligible for the refund of their caution money. Thus approval may please be given refund their caution money directly to their respective bank account.

Further, decision may please be taken to refund the caution money to the rest 25 students of batch-1, who didn't get certified. As OSDA had also enrolled 63 students in batch-2, without any registration free.

21/06/2021

(BRIJESH KUMAR)  
SPOC, SAP Training Program

Director, IGIT Sarang (through Dean Academic / T&P Head)

As per the verbal discussion with the Director Sir and Dean Academic, the following details are collected.

01. Signed acknowledge receipt of 54 students Bank details. (Shared through Email) (P-9)
02. Consent from OSDA, regarding Caution Money refunding. (P-8)

Thus, decision may please be taken to refund caution money to their respective bank account through DEAN Academic office.

Director

Notes as above. Regarding the refund of caution it is requested to kindly allow to call a meeting consisting of Dean (Ac), Prof. in-charge T&P, Coordinator SAP, and Deputy Registrar to take a decision.
