

## REPORT ON EK BHARAT SRESTHA BHARAT(EBSB) ACTIVITY

Indira Gandhi Institute of Technology Sarang, Odisha has been leading the prestigious initiative of Government of India, Ek Bharat Shrestha Bharat. As part of the initiative, we celebrated the 75<sup>th</sup> Independence Day by organizing an online programme along with our paired institute G.H. Rasoni Institute of Management and Research, Nagpur. On this auspicious occasion we remembered our great freedom fighters who contributed towards the freedom struggle.

We organized the EBSB club activity on 14<sup>th</sup> of August,2021 from 3pm onwards in online mode. The dignitaries from both the institute-

Dr. Prof. B.D. Sahu (Director's In charge) and

Dr. Prof. Urmila Bhanja; from IGIT Sarang

Director Aarti Deshpande and

In-charge Prof. Pankaj Pethe from G.H. Rasoni Institute of Management and Research;

Joined the online programme and appreciated the work of the EBSB clubs of both the institutes. The programme was first lead by the members of EBSB club of IGIT Sarang followed by the members of EBSB club of G.H. Rasoni Institute of Management and Research, Nagpur. The event witnessed the significant role our freedom fighters and the sacrifices they made to protect our country against the colonizers. It also focused on the fact that we must come together to not let communal hatred come between and live up to the Indian dream of these freedom fighters. Only then we will honor their sacrifices and memory. At the end National Anthem was played to conclude the beautiful programme.

Fig. The conducted event was published in local news paper

## Report on Ek Bharat Shreshtha Bharat (EBSB) activity

Indira Gandhi Institute of Technology , (IGIT) Sarang spearheading the prestigious initiative of Government of India, Ek Bharat Shreshtha Bharat. As part of the initiative, we celebrate the unity in diversity of our nation, and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our country and promote the spirit of national integration through a deep and structured engagement on rich heritage and culture, customs and traditions and appreciate the diversity of India, thus fostering a sense of common identity. We organised EBSB club activity on 30, October, 2021 in Online Mode. Mister Anand Singh of IGIT, Sarang and Miss Lazari of G.H. Raisoni Institute of Management and Research, Nagpur hoisted the online event. The topic of the event was "Tourism and Exchange". We discussed about the famous places and specialities of cities of Odisha.

All events reports are as follows-

1. . We presented our video starting with the very first city Bhubaneswar the present capital of Odisha. Also known as the temple city of India due to large number of ancient temples still preserved with their natural beauty intact.
2. Second city was Cuttack the former capital of Odisha and silver city of India due to its famous silver filigree jewellery. It is also the birth place of Netaji Subhash Chandra Bose one of the brave freedom fighters of India.
3. Sambalpur- the city with longest dam of India with the length of about 4.8KM stretching across the Lakshmi Dungri hills in the left and Chanili Dungri hills in the right with large number of waterfalls which make it a perfect landscape. Also globally renowned for its textile bounded patterns & fabric locally called Baandhana.
4. Dhenkanal- Famous all over the world for its Dokra casting bell-metal horn work, straw work and tribal jewellery. The city contains the loftiest peak of Kapilash Range which has the ancient temple of Lord Shiva attracting tourists from all over India.
5. Kendrapada- The city contains the only marine wildlife sanctuary of Odisha called the 'Gahirmatha Wildlife Sanctuary' famous for Olive Ridley Sea Turtles located within the close vicinity of Bhitarkanika National Park famous for crocodile breeding.
6. Koraput- known as the mini Kashmir of Odisha. Also famous for its picturesque landscape and mesmerizing waterfalls which attract a lot of tourists round the year.

Then the G.H. Raisoni Institute of Management and Research presented their video for the same and the event was concluded with a vote of thanks.
