

This is for the information of 4th year B.Tech Students (those who have registered for the Employability Skill Training Program) that the online Employability Skill Training Test will be conducted on 10-01-2020 from 11.00 am to 12.00 noon. All the Students are advised to appear for the online test positively and collect their user id and password from their respective branch representative. The procedure for appearing for the online test is as follows:

Step-1: Click on the test link or copy past the test link on the address bar

Test link :

<http://universaleducation.in/tests/assessment-test-1019/>

Step-2: log in by using your log in id (i.e. registered email id) and password provided to you

Step-3: Put the test password (i.e. **UNIVERSAL EDUCATION 1019), click on enter, followed by “start test” button, then you will be able to appear for the test**

Note :- It will be better if students will use Google Chrome instead of any other browser.
