

No. 614 Date. 4/8/2020

As it appears, there are only 197 candidates, who have opted for appearing online Exams of 6<sup>th</sup> semester 2020 from different Exams centres. Requests have come from few candidates among these 197 students to allow them to appear exams from their home using their Android Mobile/computer.

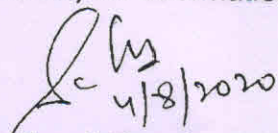

It is hereby informed that any approved candidate out of these 197 students who have opted for "appearing exams from any exams centre" may appear "from home using Computer/Laptop/android Mobile phone set with stable internet connection". The system shall allow them to appear from home without any permission to switch over from Exams centre option to home based own computer/mobile option.

Principals of all Polytechnics are hereby requested to inform the students concerned accordingly.
