## ABOUT

Welcome to Technovation, the nexus of innovation and creativity presented by the Department of Computer Science Engineering and Application since 2017. This year, Technovation embraces diversity with a more inclusive agenda. A celebration of technology and culture, this festival offers a platform for individuals from all backgrounds to showcase their talents. In a rapidly evolving digital landscape, Technovation symbolizes collaboration, knowledge exchange, and a shared passion for technology. Join us for an exhilarating experience where diverse minds converge to redefine the boundaries of possibility in the digital era. Welcome to Technovation—where innovation knows no limits, and diversity takes the spotlight.

# ABOUT IGIT

Founded in 1982, Indira Gandhi Institute of Technology (IGIT), Sarang, stands as a prestigious institution governed by the Government of Odisha. Affiliated with Biju Patnaik University of Technology and the State Council for Technical Education & Vocational Training, IGIT offers a range of engineering courses. Accredited by NBA in 2016, it attained unitary university status in 2014 and autonomy from the University Grants Commission in 2017. Led by Director Dr. Satyabrata Mohanta, IGIT upholds a legacy of excellence in engineering education.

## CSEA

Endorsed by the esteemed Computer Society of India, IGIT's department in Sarang stands out as a beacon of excellence.

Boasting cutting-edge technical laboratories, a thriving cyber club, a plethora of courses, notable achievements, and a robust recruitment policy, it undeniably secures its position as the pinnacle of IGIT, Sarang. Over the years, this department has carved a distinguished niche for itself, embodying a commitment to innovation, technological prowess, and a dynamic learning environment that sets it apart as a paragon of academic brilliance

## MESSAGE FROM HEAD OF THE DEPARTMENT

Confident in its alignment with the institute's expectations, marked by commendable achievements and a contemporary educational approach, I extend congratulations to the organizers and students of IGIT, Sarang. Their dedicated efforts ensure the triumphant success of Technovation 2024, a celebration of innovation and collaboration that mirrors the institute's commitment to excellence in the ever-evolving landscape of technology and education. Kudos to the collective hard work that guarantees the success of Technovation 2024 at IGIT, Sarang.

~ Dr. Prof. Sasmita Mishra

## MESSAGE FROM THE CONVENOR

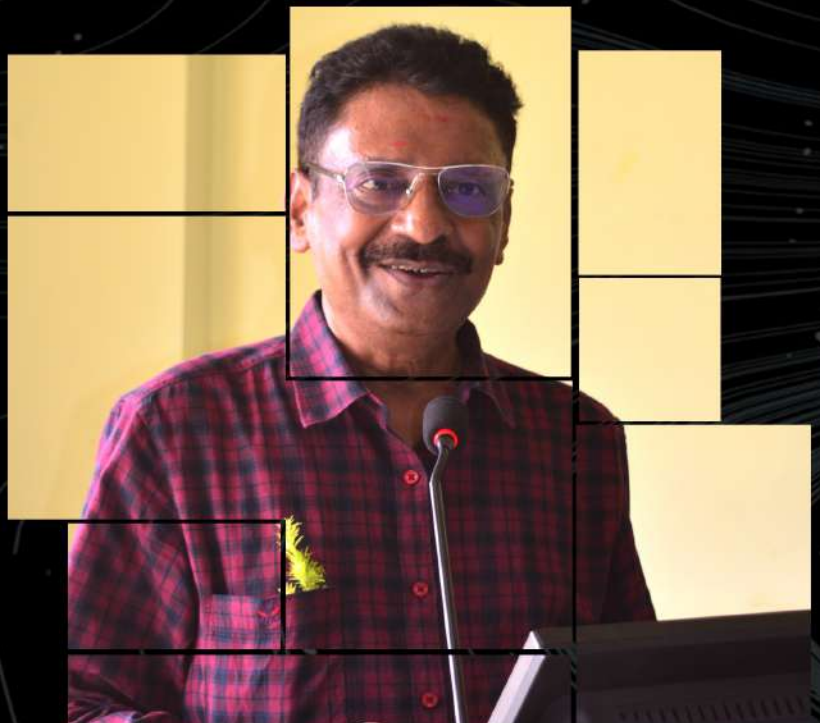

Technovation stands tall as Odisha's premier Computer Science Fest, a realm I take pride in belonging to. Meticulously curated workshops, seminars, cutting-edge, and engaging gadget-related games unfold, promising participants not just delight but a wealth of knowledge. With strategic planning and seamless execution, the fest is set to soar to new heights this year, amplifying its already remarkable legacy. Excitement brews as we anticipate a Technovation that transcends expectations.

~ Prof. Priyabrata Sahu

# MESSAGE FROM ADVISOR

“I extend my most heartfelt wishes to the dedicated Organizers and diligent students of this esteemed Institute, who have exerted tremendous effort to orchestrate a triumphant event. I am confident that the meticulously planned activities will ignite a sense of camaraderie, ingenuity, and intellectual curiosity among our promising youth. I am confident that Technovation 2024 will elevate our Institute's reputation and add further distinction to its accolades.”

~Dr. Prof. Sarojananda Mishra
