About the Institution

Indira Gandhi Institute of Technology (IGIT), Sarang was established in the year of 1982. I.G.I.T., Sarang is an autonomous institute declared by University Grants Commission. The Institute is AICTE approved, NBA accredited and TEQIP-III supported Institute. IGIT offers degree in Ph. D, M. Tech, MCA, B. Tech, B. Arch, M. Sc and diploma in different disciplines. It has also highly qualified and experienced faculty members. Our Institute is one of the oldest (39 years old) Premier Technical Institutes of Govt. of Odisha. The student intake strength of our institute is 1500 every year. The Institute is extremely proud of its alumni, a considerable number of them being entrepreneurs or senior executives in industries both within India and abroad.

Department of Production Engineering

Production Engineering has emerged as an independent discipline catering to the global need. Thus the department was started in the year 2014. Since then the department has strived towards its mission of crafting engineers with remarkable ingenuity, versatility and a heart for indigenous technology, the department promotes the academic excellence and raise the level of knowledge, competence and skill in the area of manufacturing engineering. It also excels the research capabilities for student and faculty.

About Webinar

TEQIP-III sponsored one-week national webinar on "Advances in Production Engineering (APE- 2020)" to be hosted by the Department of Production Engineering, IGIT Sarang is intended to assist the students, researchers and professionals mainly from reputed academic institutions, scientific organizations, manufacturing Industries, and other agencies of Indian country to share their knowledge and to develop mutual training and research activities.

Objective of Webinar

New development in the field and capture visions for further research and identify gaps and needs, as well as applications that hold the greatest potential for impact.
