

**TEQIP-III Sponsored Webinar
on
SUSTAINABLE PAVEMENT: CURRENT
RESEARCH & PRACTICES
(SPCRP-2020)**

11th-15th September, 2020

Patron-in-Chief

Dr. S. Mohanta
Director,

Indira Gandhi Institute of Technology, Sarang

General Chair

Dr. T.K. Nath

Professor and Head, Deptt. Civil Engg.

Advisory Committee

Dr. S. Senapati, Dean (FARC)

Dr. Md. N. Khan, Nodal Officer (Academic)

Dr. R. Behera, Coordinator (TEQIP-III)

Dr. S. Sethi, Nodal Officer (Finance)

Dr. A. Rout, Nodal Officer (Procurement)

Coordinator

Mr. Sujit Kumar Pradhan

Assistant Professor

Department of Civil Engineering, IGIT Sarang

Phone/WhatsApp-08895398001

E-mail-sujitpradhan.igit@gmail.com

Co-coordinator

Mr Pratik Acharya

&

Ms. Anwesha Rath

Assistant Professor

Department of Civil Engineering

IGIT Sarang

About the Institution

Indira Gandhi Institute of Technology (IGIT), Sarang was established in the year of 1982 and was managed directly by the Govt. of Odisha in the name of Odisha College of Engineering (OCE). Presently, the Institute is offering nine Under Graduate Engineering courses in Civil, Chemical, Electrical, Mechanical, Metallurgical & Materials Engineering, Electronics & Telecommunication, Computer Science Engg., Production Engg., Architecture; & two part-time Post Graduate Engg courses in Industrial Power Control & Drives, Environmental Sc. & Engg.; nine full time Post Graduate Engg courses / Master course Computer Sc.Engg., Electronics and Telecom. Engg, Geotech Engg. Transportation Engg, Mechanical System Design, Production Engg., Structural Engg., Master's in Computer Application; besides five Diploma Courses in Civil, Electrical, Electronics & Telecommunication, Mechanical & Metallurgical & Materials Engineering.

Department of Civil Engineering

The department of Civil Engineering has been functioning as a full-fledged department since the inception of the institute catering primarily to the education of undergraduate, postgraduate, and Research scholars.

About Short Term Course

TEQIP-III sponsored webinar for one week Short term Course on **“Sustainable Pavement Current Research & Practices, (SPCRP-2020)”** to be hosted by the Department of Civil Engineering, IGIT Sarang is intended to assist the researchers and professionals mainly from academic institutions, field engineers, scientific organizations, roads and building works departments, constructing companies, and other agencies of Indian country to share their knowledge and to develop mutual training and research activities.

Objective of Workshop

- Provide technical background of paving technologies and relate it with current practices to improve pavement performance.
- Report on the most research advances and current development in pavement materials and pavement construction that deliver environmental and sustainable benefits.

Sponsored Webinar

On

**SUSTAINABLE PAVEMENT: CURRENT
RESEARCH & PRACTICES
(SPCRP-2020)**

at

**INDIRA GANDHI INSTITUTE OF TECHNOLOGY,
SARANG
(AN AUTONOMOUS INSTITUTE OF GOVT. OF ODISHA)**

from

11th-15th September, 2020

Eligibility norms for participants:

- Faculty members, Research scholars, Practitioners, Engineers from Government and private sectors.
- Registration Fee-**Nil**
- Registration Link:-
<https://forms.gle/HB667Xn6uSLGRYeQ7>
- In order to enhance the learning from the workshop, participants are requested to be fully committed to this course.
- **E-certificates** will be issued to participants after successful completion of the Short Term Course.
- Workshop will be conducted in online mode.
- **WhatsApp Group invitation link:-** Please click in the link sent to mail id of participants

Resource Persons

Faculty members from Premier Institution (IITs/NITs) will focus on alternative design, construction, maintenance and rehabilitation activities in the highway sector.
