## AICTE Sponsored Short Term Training Programme (STTP) on Recent Trends in Supply Chain Management and E-Business (RTSCMEB)

July 22-27, 2019

Organized by  
Department of Mechanical Engineering  
Indira Gandhi Institute of Technology, Sarang  
(An Autonomous Institute of  
Government of Odisha)  
Dhenkanal - 759146  
Odisha, India

### Objective

It is focussed to provide a platform and opportunity to highlight the recent trends in the field of supply chain management. It focuses individual and collective research and development activity in technical institutions and organizations. The course will be beneficial for developing innovative skills starting from raw materials, transporting, manufacturing to selling the product to end users. The main objective of this programme is to provide a platform to upgrade hands on training where knowledge will be shared among the resource persons and participants to enhance the knowledge on supply chain.

### About the STTP

Transporting and logistic strategies are becoming critical due to the ever developing technology and changing customer behaviour. Consequently, more frequent and significant information technology changes are crucial to adapt the supply chain systems to new conditions.

The purpose of the six-day STTP is to provide an intensive understanding of the issues involved in supply chain management, and to equip the participants with advanced tools, techniques and methodologies for solving the realistic problems.

### Eligibility for Participation

Faculty from AICTE approved degree level engineering Institutes having Bachelor/Master degree in Mechanical/Manufacturing/ Production/ Industrial Engineering or M. Sc/Ph D in mathematics, or MBA are eligible to participate (limited to 40 participants).

Professionals working in industry operations, marketing, logistics and supply chain, and material handling are also eligible for the course.

### Registration Fee

No registration fee is charged for the faculties of AICTE approved engineering and management institutes and universities. However, they have to pay an application fee of Rs. 500/- each in the form of a bank draft (drawn in favour of **RTSCMEB, IGIT Sarang**) along with the registration form of the course. The amount will be refunded after joining and completing the programme.

A selected working professional has to pay an amount of Rs. 5000/- in the form of bank draft (drawn in favour of **RTSCMEB, IGIT Sarang**) to join the programme. The course fee includes the fee for the course material, participant fee, boring and lodging for a single participant.

### About the Institution

Indira Gandhi Institute of Technology (IGIT) Sarang is an autonomous institute offering UG, PG, Diploma and Ph D programme in Engineering and Science. Institute offers above programmes in Mechanical, Electrical, Civil, Metallurgy & Materials science, Chemical, Electronics and Telecommunications, Computer Science and Production specializations. The institute is proud of its alumni, a considerable number of them being entrepreneurs and senior executives in industries both within India and abroad. The institute is located at Sarang, at the side of river Brahmani, about 8 km from Talcher and 120 kms from Bhubaneswar and is well communicated by Bus and Train. The climate is cool and amusing at IGIT Sarang and stay will be very much pleasant during the period.

### About the Department

Department of Mechanical Engineering has all the infrastructural facilities required for imparting high quality education and is planned to meet present day needs of the society. It is equipped with excellent labs provided with state-of-art equipments and experimental facilities. Department has well qualified and experienced faculty members.

### Travel and Accommodation

As per AICTE norms, to-and-fro travel cost (on production of original tickets) by the shortest route between the place of work and the venue of the course will be reimbursed to the participants from Engineering/MBA institutes. All the participants will be provided suitable accommodation inside the institute campus.
